

# Photo Permission Form

MOUNT VERNON WASHINGTON STAKE

We ask before we publish a photograph of anyone. Saying no is completely fine and changes nothing about your welcome here. You can withdraw this permission at any time, for any reason, without explaining.

## What you are agreeing to

- We will not sell photographs or give them to advertisers.
- We will **never** publish a young person's photograph together with their full name.
- We will not publish personal contact details alongside a photograph.

To withdraw permission at any time, contact us through [mountvernonstake.org/contact-us](https://mountvernonstake.org/contact-us). You do not need to give a reason. Once something has been shared publicly, others may already have copied it; we can remove it from our own site and accounts but cannot reach another person's copy.

Completed forms go to the Stake Communications Council. This site is maintained by the Mount Vernon Washington Stake and is not sponsored or endorsed by The Church of Jesus Christ of Latter-day Saints.
