

YW CAMP FAQs

Q: When is camp?

A: July 6-10 (Mon-Fri). YCLs should arrive at 12:00pm to set up. For all other campers, check-in is Monday at 3:00pm. Check-out for everyone is Friday at 11:00am.

Q: Where is camp?

A: Cascade Park
12629 155th Ave NE
Arlington, WA 98223
Phone number: 360-691-5656

Q: Who needs to register for camp?

A: All young women and adult leaders planning to attend camp need to register.

Q: When should I register for camp?

A: Registration is now open and the deadline is May 15th.

Q: What is the cost of camp and when is it due?

A: The cost for all youth is \$75 and is due before attending camp, no later than July 5. Please submit payment using either a tithing donation slip or the [Online Donation](#) system. If you are submitting using a tithing slip, indicate that it is for "YW Camp" and give it to a member of your bishopric. Checks should be made out to your ward. Cost should not be a barrier - contact your YW president for possible fundraising opportunities or your bishop for assistance, if needed.

Q: If I can't come to camp for the whole week, can I still come?

A: Yes! Make a note of late arrivals or early departures in your registration so we know when to expect you. And please check-in/check-out with stake camp leaders anytime you arrive or leave camp.

Q: Which camp year do I sign up for?

A: See the timetable below:
YW Turning 12 in 2026: 1st Year
YW Turning 13 in 2026: 2nd Year
YW Turning 14 in 2026: 3rd Year
YW Turning 15 in 2026: 4th Year
YW Turning 16/17/18 in 2026: YCL

Q: Who can be a Youth Camp Leader (YCL)?

A: All young women turning 16/17/18 this year can be YCLs. Contact Chelsea Peck to get involved.

Q: Can I bring snacks to camp?

A: There will be a large variety of snacks available at camp. If your YW needs to bring their own snacks, we ask that they be NUT FREE. We have camp attendees who have life-threatening nut allergies, so we aim to be a nut-free camp. Please make sure they do not contain any type of nut - check for a nut-free symbol on packaging. Because of curious critters, snacks should not be kept in cabins but should be turned into adult leaders for safe-keeping in the kitchen or in cars.

Q: Will allergies and other special dietary needs be covered at camp?

A: Yes! We can accommodate common dietary needs (GF, NF, DF, V) if you indicate them on your registration form. Other dietary needs and restrictions outside this scope may need to be covered by foods brought from home.

Q: What if I don't have some of the camping supplies (sleeping pad, camp chair, etc.) on the packing list?

A: If you don't have access to camping supplies and need help obtaining them, please reach out to friends, family, YW leaders, or other ward members.

Q: Will youth be sleeping in tents or cabins?

A: Cabins. No need to pack a tent! 1st-4th year campers will be sleeping in cabins with their ward and supervised by ward adult YW leaders. YCLs will sleep in their own designated cabins supervised by stake YW leaders.

Q: Can campers bring electronics to camp?

A: Please leave electronic devices at home (tablets, computers, gaming devices, etc.). This is your chance to fully immerse yourself in the camp experience; we don't want you to miss out on any of it! If you would like to use a cell phone for taking pictures and reading scriptures, that is fine, but we ask that you limit cell phone use to those things.

Q: How can I contact my daughter at camp if I need to?

A: YW leaders from each ward will be there as well as park missionaries and other stake leaders.
